AFRICAN AMERICAN CULTURAL HERITAGE ACTION FUND

\$25,000,000

Without a thorough reckoning with the complex and difficult history of our country, especially when it comes to race, we will not be able to overcome intolerance, injustice, and inequality. We have an opportunity with this Fund to broaden the American narrative to reflect our remarkably rich and diverse history.

Darren Walker, Co-Chair

I think real understanding comes when we recognize our humanity in each other.
